

Opportunities for BPC Parents/Guardians to Meet Head of School Finalists

8/30/24

Dear Black Pine Circle Community,

I am pleased to provide an update on our search for the next Head of School. Our dedicated team of consultants, administrators, and board members has been working diligently to advance this important process. After thorough evaluation, we have identified four outstanding finalists who align with the vision and qualities we seek for our new Head of School.

As we move forward, we are excited to offer opportunities for our entire community to engage with each finalist. Each candidate will visit our campus for two days, during which they will interact with students, participate in meetings, and join students for lunch. To increase access, we will host two sessions for the entire parent and guardian community with each finalist: one in-person morning session on campus, and one virtual evening session. We encourage you to attend the session that best fits your schedule.

Prior to each visit, we will share detailed information on each candidate and a link to a survey where you can provide your feedback. Your insights will be invaluable as we move toward selecting our new Head of School.
